I threw our rings into a box  
Filled with broken memories and fools gold  
And I woke up again last night in this lonely bed without  
you to hold  
And I walked around the house pullin' pictures off the  
walls  
Just like I've done a hundred times before  
Makin sure I've got 'em all

Chorus

Makin sure I've got the hard to find  
Little things that make me think about you  
'Cause I'm tired if this house always breakin' me down,  
feelin blue  
No there's nothing left to say  
I'm puttin' memories away

Well, yesterday I found your dress  
I guess there's some things I missed in our room  
But it didn't break me down the second that I found it  
like it used to  
With red wine and tears I've been gatherin' all the  
years we spent together  
I need to move on  
'Cause I know you're gone forever

Repeat Chorus

No there's nothing left to say  
I'm puttin' memories away
