Got your feet wet  
Got your heart broke  
Didn't pan out  
Like you hoped

But you played fair  
And you swear that  
Love had  
The damn deck stacked

And you just wanna put it behind you  
But you sit and you dwell on the past  
Oh cant you see you cant see tomorrow  
As long as you're lookin' back

You had someone  
You could count on  
You believed in  
Bet your life on

But your back turned  
And the knife fell  
And you swear that  
Payback  
Is gonna be hell

Now you just cant trust anybody

Cuz a friend was just a snake in the grass  
Boy cant you see you cant see tomorrow  
As long as you're lookin' back

You can't move on  
Til you let go of whats gone

No you're never gonna trust anybody  
If you sit here and you dwell on the past  
Oh can't you see you cant see tomorrow  
As long as you're lookin' back....

Got your feet wet  
Got your heart broke

Didn't pan out  
Like you hoped

Got your feet wet  
Got your heart broke  
Didn't pan out  
Like you hoped
