Good morning beautiful, how was your night
Mine was wonderful with you by my side
And when I open my eyes and see your sweet face
It's a good morning beautiful day

I couldn't see the light
I didn't know the day from night
I had no reason to care
But since you came along
I can face the dawn
Cos I know you'll be there

Good morning beautiful, how was your night
Mine was wonderful with you by my side
And when I open my eyes and see your sweet face
It's a good morning beautiful day

I never worry if it's raining outside
Cos in here with you girl the sun always shines

Good morning beautiful, how was your night
Mine was wonderful with you by my side
And when I open my eyes and see your sweet face
It's a good morning beautiful day, yeah
Ooh good morning beautiful day
It's a beautiful day
Good morning
What a beautiful day
