I've come to see it's a pattern with me  
To make a fast getaway  
Everytime I get a little too near to love  
Somebody gets too close  
The next thing I know  
I'm up and gone again  
Chasin' the wind and the distant stars above

Ah girl  
But I don't know what's been goin' on  
Since the night we met  
All I know is  
I ain't runnin' yet

Girl I can see when you look at me  
You're lookin' for a sign  
That somewhere in this heart of mine there's a place  
for you  
But I want you to know  
When those feelings show  
That's what chases me away  
But tonight I just gotta stay and see this through

Ah girl  
But I don't know what's been goin' on

Since the night we met  
All I know is  
I ain't runnin' yet

I ain't runnin' away from the love I see so deep in your  
eyes  
I ain't runnin' away and I can't even say just why  
Oh I don't know what's been going on since the night  
we met  
All I know is I ain't runnin' yet

I ain't runnin' away from the love I see so deep in your  
eyes  
I ain't runnin' away and I can't even say just why  
Oh I don't know what's been going on since the night  
we met

All I know is I ain't runnin' yet

Girl I don't know what's been goin' on  
Since the night we met  
All I know is  
I ain't runnin' yet
