Verse:

It's hard describing a heartache, because its a one of a kind thing,
a erious injury and a whole lot of endless pain,
if it was a storm, i'd compare it to a hurricane,
awe, its even got a name,

Chorus:

If it was a drink it would be a strong one,
if it was a sad song, it would be long one,
If it was a color, it would be deep deep blue,
But if we're talking about heartache, it would be you

Verse 2:

If it was a full moon it would be a total eclipse,
if it was a tidal wave, it would sink a thousand ships,
if it was a blizzard, it would be record breaking cold,
if it was a lie, it would be the greatest story told,

Chorus:

If it was a drink it would be a strong one,
if it was a sad song, it would be long one,
If it was a color, it would be deep deep blue,
But if we're talking about heartache, it would be you
