They say I drive a little fast  
Say I like to push the limit  
Everyday I'm living like it was my last

They say I'm proud of my scars  
Each one tells a story  
Got guts and glory

Down to an art, say I know what it's like  
To see life pass right before my eyes  
Like it's a bad thing

I don't know about you  
But I was put here to live and love  
So what if I don't do it  
Like everybody else does

They say I'm out on the edge  
I'm too willing to risk  
Every bone, every breath  
They say all I am is a crazy dream  
Like it's a bad thing

So my heart's been broke  
So I keep on falling  
I'm nothing but all in

When I let go, I wear it on my sleeve  
Yeah, they call me a fool 'cause I still believe  
Like it's a bad thing

I don't know about you  
But I was put here to live and love  
So what if I don't do it  
Like everybody else does

They say I'm out on the edge  
I'm too willing to risk  
Every bone, every breath  
They say all I am is a crazy dream  
Like it's a bad thing

I don't know about you  
But I was put here to live and love  
So what if I don't do it  
Like everybody else does

They say I'm out on the edge  
I'm too willing to risk  
Every bone, every breath  
They say all I am is a crazy dream  
Like it's a bad thing

Like it's a bad thing  
Like it's a bad thing
