Woke up this mornin, Still got my buzz from last nights
show

A cup of coffee, Ready to go again

Ive got twenty-seven shows in Twenty-seven days,

Playin Junk Yard Guitar, Gettin Paid

Gotta check the set list, To tell ya what state Im in

Chorus:

Go Listen,

Livin Hard is hardly livin

For a Hard Rockin, Road Dog, Rowdy Musician

Rollin Like the Stones, Startin to look like Dylan

Livin Hard is Hardly Livin,

Woo Hoo, Woo Hoo, Woo Hoo

Im high on the stage, Livin in the spotlight

Airplane, Champagne, Yeah its just what it looks like

Chasin dreams, one song at a time

Well welcome to my world for the next ninety minutes

Ill be barin' my soul for the price of your tickets

And I'll do it all over again, tomorrow night

Chorus Twice:

Its Hardly Livin, Woo Hoo

Yeah, Its Hardly livin

Rollin Like the Stones, Start to look like Dylan

Wow,Wow, Are you alright?

Yeah Listen, Livin hard is hardly livin

Woo Hoo, Woo Hoo, Woo Hoo

Livin Hard is hardly Livin
