Well, high school got me educated  
Still went and graduated  
I didn't have a clue

Did a stint in the Navy  
They did their best to break me  
Somehow I made it through

I've had some hard knocks  
I've been around the block

Closin' down the local bars  
That's what I used to do

Family told me settle down  
Find yourself some solid ground  
Where you can put down some roots

Back then I thought love  
Was only sissy stuff, now I see  
That lovin' you made a man of me  
That lovin you made a man of me

I don't know what it is you do  
But every time I'm holdin you  
I know my heart is for

I'm the one you lean on  
Got to be strong  
It ain't just about me anymore

Well goodbye to my blind immaturity  
Lovin' you made a man of me  
Made a man of me  
Made a man of me

I'd still be only lost and lonely  
As a boy can be, can't you see that  
Lovin' you made a man of me

Lovin' you made a man of me  
Made a man of me  
Made a man of me

Lovin' you  
Lovin' you  
Lovin' you
