Well, I ain't too sure about this so-called trial separation  
I mean it's been three whole days  
And I don't know if I can take anymore  
And I know i'm the constant source of your frustration  
But her I am again knockin' at your door

*[CHORUS]*

And I'm just no damn good, am I baby  
I'm just no damn good, I know it's true  
'Cause everyday I go a little more crazy  
I'm just no damn good  
At not lovin' you

Well, who had the bright idea to do this king of thing  
anyhow?  
If it was me, well, then obviously  
I was off the wall  
Well, I don't blame you a bit for feelin' angry now

You're right, I'm wrong, I wasn't supposed to call

And I'm just no damn good, am I baby  
I'm just no damn good, I know it's true  
'Cause everyday I go a little more crazy  
I'm just no damn good  
At not lovin' you

No good at not holdin'  
No good at not seein'  
No good at not showin' you  
How much I care

And I'm just no damn good, am I baby  
I'm just no damn good, I know it's true  
'Cause everyday I go a little more crazy  
I'm just no damn good  
At not lovin' you

Everyday I go a little more crazy  
"cause I'm just no damn good  
At not lovin' you
