So you sailed away
Into a grey sky mornign
Now I'm here to stay
Love can be so boring

And nothing's quite the same now
I just say your name now

::Chorus::
But it's not that bad
You're only the best I ever had
You don't want me back
You're just the best I ever had

So you stole my world
Now I'm just a phony
Remembering the girl
Leaves me down and lonely

Well, send it in a letter
Make yourself feel better

::Chorus::
But it's not that bad
You're only the best I ever had
You don't want me back
You're just the best I ever had

And it might take some time to
Patch me up inside
But I can't take it, so I
Run away and hide
And I might find in time that
You were always right
You were always right

So you sailed away
Into a grey sky morning
Now I'm here to stay
Love can be so boring

Was it what you wanted
Could it be I'm haunted

::Chorus::
But it's not so bad
You're only the best I ever had
You don't want me back
You're just the best I ever had
You're just the best I ever had
