yeah im lookin
aint everybody lookin
for that one of a kind,
one in a million match made in heaven
that we all know probably dont exist
whats that?
yeah im jaded,im over it
cynical
maybe even a little bit bitter about all the chances ive
missed

cause ive seen it all come and go before,
and im sure ill see it all again
but if i thought for one instant it might be love
id be the first one jumpin in,

and here i go,
fallin the minute,
love starts callin
here i go
fallin
for what its worth,
for better or worse
like ive never been burned
and i wont get hurt

yeah i know its kinda fast,
i only met her last night,
so what makes me think this ones going to be any
different
lets just say i got a real good feelin about it
is it meant to be, do i think its going to last,
i dont know, i aint goin there, i aint touchin that,
but ill tell you this

everytime i get close to her
i cant think of nothin else
shes in every thought
every dream i ever dreamed
i cant stop myself

and here i go,
fallin the minute,
love starts callin
here i go,
fallin
for what its worth,
for better or worse
like ive never been burned
and i wont get hurt

it was sure nice talkin to you,
but i really gotta run
cause i think i finally found her man,
and here she comes

and here i go,
fallin the minute,
love starts callin
here i go
fallin
for what its worth,
for better or worse
like ive never been burned
and i wont get hurt

go fallin
the minute love
starts callin and
here i go
fallin
for what its worth
for better or worse
like ive never been burned
and i wont get hurt

go fallin
the minute love
starts callin
here i go
fallin
for what its worth
for better or worse
like ive never been burned
and i wont get hurt

and here i go, the minute love starts callin
