Yeah, she's the one  
The one I told you all about  
Yeah it was serious  
But it was long ago  
She might just walk over here  
And give me a kiss for old times  
But don't you worry dear  
Old times next to you could never come close

I'll take today over yesterday any day  
I'll take lyin' in your arms tonight  
Over and above any love I've known  
Memories may find me  
But they'll always be behind me  
I'll take today over yesterday anyday

I'd be lyin' if I tried to tell you no  
That I never loved her  
And she doesn't ever cross my mind  
But that was yesterday  
Baby, I don't want to go back  
Here's where I'm gonna stay  
With you in each tomorrow of my life

I'll take today over yesterday anyday  
I'll take lyin' in your arms tonight  
Over and above any love I've known  
Memories may find me  
But they'll be behind me  
I'll take today over yesterday anyday

Memories may find  
But they'll always be behind me.  
I'll take today over yesterday anyday.
