It's hard describin' a heartache,  
oh cuz it's a one of a kind a thing.  
Serious injury and a whole lot of endless pain.  
If it was a storm, I'd compare it to a hurricane.  
Oh it's even got a name.

Chorus

If it was a drink,  
It would be a strong one.  
If it was a sad song,  
it would be a long one.  
If it was a colour,  
It would be deep deep blue.  
But if we're talkin' about a heartache,  
It would be you.

If there was a full moon,  
It would a total eclipse.  
If it was a tide wave,  
It would sink a thousand ships.  
If it was a blizzard,  
It would record breaking cold.  
If it was a lie,  
It would be the biggest story you've ever told.

Chorus

If it was a colour,  
It would deep deep blue.  
But if we're talkin' 'bout a heartache,  
It would be you.
