Still learnin how to pray,  
Tryin hard not to stray,  
Try to see things your way,  
Still learning how to pray,  
Still learning how to trust,  
It's so hard to open up,  
But I'd do anything for us,  
Still learning how to trust,

Still learning how to bend,  
How to let you in,  
In a word full of tears,  
We'll concur all our fears,  
Still learnin how to fly,  
I wanna take you high,  
I'll be there till the end,  
I'll be a lover and your friend,  
Still learnin how to bend

I'm jus tryin to understand,  
its all in someone elses hands,  
There's always been a bigger plan,  
But I don't need to understand,

Still learnin how to bend  
How to let you in,  
In a word full of tears,  
We'll concur all our fears,  
Still learnin how to fly,  
I wanna take you high,  
I'll be there till the end,  
I'll be a lover and your friend,  
Still learnin how to bend  
I'll be there till the end,  
I'll be a lover and your friend,  
Still learnin how to bend

Still learnin how to bend

Be there till the end,

Still learning how to bend
