well i dont wanna hurt nobody
dont wanna make no body cry
well i dont wanna do wrong
i dont wanna wrong
i dont wanna tell no lies
girl im lovin you,lovin you against my will
lovin you,lovin you against my will

i dont wanna hear the phone ring,
dont wanna hear your voice on the line,
i dont wanna come to you
i dont wanna come to you
i dont wanna give in this time

girl im lovin you,lovin you against my will

well your love is like a deep dark river,
pulling me out to sea,
the harder i try to resist you,
the weaker i seem to be

i dont wanna turn down your side street
i dont wanna pull in your drive
i dont wanna come to you
i dont wanna come to you
i dont wanna give in this time
girl im lovin you,lovin you against my will

well your love is like a deep dark river,
pulling me out to sea,
the harder i try to resist you,
the weaker i seem to be

i dont wanna feel your heart beat
i dont wanna taste your kiss
i dont wanna call your name
i dont wanna call your name
i dont wanna want you like this

girl im lovin you,lovin you against my will
im lovin you,lovin you against my will
