Well this town has closed way to early and there's
nothin to do.
So im drivin around in circles and im thinkin about you.
Today i heard you got a new last name.
Sure didnt know it was going to hit me this way.
And the radio just keeps on playin all these songs
about...

(rainy night in Georgia, Kentucky rain)

Now theres all kinds of songs about babies, and love
that goes right.
But for some unknown reason
nobody wants to play them tonight.
Hey I hope its sunny where ever you are.
Thats sure not the picture tonight in my car.
And it sure ain't easin my pain
all these songs like...

Rainy night in Georgia, Kentucky rain,
here comes that rainy day feelin again.
Blue eyes cryin in the early mornin rain.
They go on and on and there's no two the same.
Oh it would be easy to blame all these songs about
rain.

Well I thought I was over you
but i guess maybe im not.
Cause when I let you go looks like lonely is all that I got.
Guess I'll never know what could have been.
Sure ain't helpin this mood that I'm in.
If they're gonna keep on playin these songs
like....

Rainy night in Georgia, Kentucky rain,
here comes that rainy day feelin again.
Blue eyes cryin in the early mornin rain.
They go on and on and there's no two the same.
Oh how I wish I could blame
all these songs about rain.

Rainy night in Georgia, Kentucky rain,
Here comes that rainy day feelin again.(all these songs
about rain)
Blue eyes cryin in the early mornin rain.
They go on and on and there's no two the same
2x's
