Out of the water,
Feelin' down feelin' cold,
Into the fire,
To a world I've never known,
God I'm so tired,
It's been a long long road to here,
But God it's been worth it,
When I feel your body near,
With your arms around me,
Love surrounds me,
Ever by my side,
With your arms you hold me,
Trust and show me,
All I feel tonight,
But all this time that I've been searchin',
All this time that I've been hurtin',
It heals,
When I'm in your arms each night,
Runnin' away from,
All the love I never knew, oh no,
Only to fall,
Into the arms of someone true, oh yeah,
Now I've never noticed,
I've been searchin' for so long,
Just waitin' to find,
Someone to make me feel this strong,
Oh,
With your arms around me,
Love surrounds me,
Ever by my side,
With your arms you hold me,
Trust and show me,
All I feel tonight,
But all this time that I've been searchin',
All this time that I've been hurtin',
It heals,
When I'm in your arms each night,
Whoa oh ho,
So safe in your arms,
Whoa,
Ho,
Ho,

With your arms around me,
Love surrounds me,
Ever by my side,
With your arms you hold me,
Trust and show me,
All I feel tonight,
Whoa,
Ho, oh oh,
Yeah,
(so safe in your arms)
Forever more,
(so sfe in your arms)
Whoa yeah,
So safe in your arms,
So safe in your arms,
So safe in your arms,
So safe in your arms,
Whoa ho oh yeah....
