"Gonna do something you might know, But don't worry
it gets better at the chorus"

I guess now it's time
For me to throw up
I feel it's time
Got a picture of you beside me
Got your lipstick mark
Still on your coffee cup
Wash it off

Got a fist of pure emotion
Got a head of shattered dreams
Gotta leave it
Gotta leave it all behind me now

Whatever I said, whatever I did
I didn't mean it
I just want you back for good
Whenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood

Unaware but underlined
I figured out the story
It wasn't good
And in the corner of a mind
I celebrated glory
But it wasn't to be
In the twist of separation
You excelled at being free
Can't you find a little room inside for me

Whatever I said, whatever I did
I didn't mean it
I just want you back for good
Whenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood
And we'll be together, this time is forever

So complete in our love

We will never be uncovered again Mosh

Whatever I said, whatever I did
I didn't mean it
I just want you back for good
Whenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood
