Verse 1

We're all here for one reason,
Yes I think you can feel it too,
The past won't tell us what the future can bring,
It is worth a fight, whether wrong or right

Verse 2

Join hands and sing out your heart,
Reach for every corner of this world,
Our message has so much emotional feeling

Stand be heard, believe in every word

Chorus 2

We're all looking for change,
Life we hold in our hands,
You can help turn a page,
Let's work it out together,
'cause we're all looking for change

Verse 3

Some people ask what's the meaning,
I tell them we have this cause we believe in,
Sometimes they laugh and say that they have no time,
But soon they'll feel the fool when they sing this too

Chorus 3

We're all looking for change,
Life we hold in our hands,
You can help turn a page,
Let's work it out together,
'cause we're all looking for change

Chorus 4

We're all looking for change,
Life we hold in our hands,

You can help turn a page,
Let's work it out together,
'cause we're all looking for change
