Yeah, yeah

You could have kissed me  
Like this wasn't gonna last  
Kept me from saying  
Something I'll never take back

You could've held me  
Like there was no chance  
Of me waking up where I am  
You could have stopped short  
Of every dream I've ever had

So help me girl you've gone too far  
It's way too late to save my heart  
The way it feels each time we touch  
I know I've never been so loved

And I can't help myself  
So help me girl, yeah  
You've got to help me girl

You had to be there  
Until the sun came up  
Making last night feel like  
A vision of things yet to come

You just had to hold me like nobody else  
Now look what you've gone and done  
You had to love me  
Till I just can't get enough  
Please, please

So help me girl, you've gone too far  
It's way too late to save my heart  
The way it feels, each time we touch  
I know I've never been so loved

And I can't help myself

So help me girl, you've gone too far  
It's way too late to save my heart

The way it feels, each time we touch  
I know I've never been so loved

And I can't help myself  
No, baby, I can't help myself  
I can't help myself so help me girl

You've got to help me girl  
'Cause I'm falling down  
I'm falling down  
You got to help me this time  
'Cause I'm falling down

Falling down  
You got to see my love  
You've got to help me now, falling down  
It's the emptiness I'm feeling inside  
You got to save me girl
