You could have kissed me
Like this wasn't gonna last
Kept me from saying
Something I'll never take back

You could've held me
Like there was no chance
Of me waking up where I am
You could have stopped short of
Every dream I've ever had

So help me, girl, you've gone too far
It's way too late to save my heart
The way it feels each time we touch
I know I've never been so loved

And I can't help myself
So help me, girl, oh yeah
You gotta help me, girl

You had to be there until the sun came up
Making last night feel like a vision of things yet to come
You just had to hold me like nobody else
Look what you've gone and done, you had to love me
Till I just can't get enough, please, please

So help me, girl, you've gone too far
It's way too late to save my heart
The way it feels each time we touch
I know I've never been so loved
And I can't help myself

So help me, girl, you've gone too far
It's way too late to save my heart
The way it feels each time we touch
I know I've never been so loved
And I can't help myself

No baby, I can't help myself
I can't help myself, so help me, girl
You've got to help me, girl
'Cause I'm falling down

Falling, falling, falling down
Falling, falling, falling down
Falling, falling, falling down
