You say you hate me  
Right to my face  
You say the last year  
Was just a waste

But I've loved you girl  
From day one  
You're the only girl that has my heart  
Under the sun

Chorus  
You're my candy girl, in the cotton dress  
You spin my head and make me a mess  
We fuss and fight the whole night through  
But when the day is done my heart belongs to you

This life on the road is so damn tough  
One day alone if miserable without your love  
But I'm coming home to you girl  
Can't wait to wrap my arms around you and rock your  
world

Chorus

Bridge  
I know this is not that fairy tale  
That you read in those books  
There's no describing the way I feel inside  
When you give me that look
