When I woke up this morning
And wiped the sleep from my eyes
I knew a new day was dawning
Where I'd come to realize

Today I saw you on the street
Just carrying your bag of lies
Baby never have I ever
Had it so easy with good bye

Chorus
Now that your gone
I can see the light
Now that your gone
I can get on with my life
There's one thing for sure
Now that your gone
Now that your gone

With my eyes wide open
The future looks clear and bright
So long now Senoireta
I'm off to paint the town tonight

Chorus
