By Gary Chapman

Heal me!

I'm not sure how much more I can take

I can't tell at what point I will break

But I can feel it coming on

I can feel it coming on

I'm so tired of planning my next fall

I might lose my head and lose it all

I can feel it coming on

Yeah, I can feel it coming on

And I'm so sorry that I'm feeling so sorry for myself

I want to stop this

CHORUS:

Life isn't fair

I don't deserve this

How did this start

And when will it pass

I want a chance

Though I may falter

Here at this alter

I dare to ask you

To heal me, won't you heal me, come and heal me,

heal me

There is a hope I don't deny

Deep in my heart I want to try

And I can feel it coming on

I can feel it coming on

And I'm so sorry that I'm feeling so sorry for myself

I want to stop this

(REPEAT CHORUS)

Heal me, heal me

Heal me, heal me

I'm askin' you to heal me, heal me

Come and heal me, come and heal me

When I need you, when I need you

Won't you heal me

When I'm cryin', when I'm hurtin'

Won't you heal me

I'm down on my knees, I'm beggin' you please

To heal me

Come and heal, heal me, heal me, heal me
