(Brooker)

Take me by the hand  
Lead me to the water  
I will be your lamb  
Heading for the slaughter

I've been away from home too long  
But I still taste the tears  
And when I'm in some stranger's arms  
I still feel you near

Now if they ask me how I feel  
I smile and say 'Just fine!'  
But deep inside this lonely heart  
I know you're still mine

Take me by the hand  
Lead me from the fire  
We'll fly up from this land

We're going to get higher

So this is where the end begins  
The parting of the ways  
Somebody's calling me up there  
I hear it in the waves

Take me by the hand  
Lead me to the water  
I will be your lamb  
I'm ready for the slaughter

Take me by the hand  
Lead me from the fire  
We'll fly up from this land  
I'm dying to get higher
