By Randy Stonehill, Gary Chapman
Amy's got an angel on her shoulder
Maybe that's why her eyes shine so bright
Every time I tell her she starts laughin'
Says boy, you're crazy but you're alright
CHORUS:
And I love that girl
Yes, I love that girl more than a million bucks
I love that girl
Let me tell you how I love that girl
Amy, she's a wild one, a rock 'n' roller
Tell you how she makes my heart so free
She can make me happy without tryin'
Unlock the thunder inside of me
(REPEAT CHORUS)
Love that girl
My Amy girl
I love that girl
I love that girl
You see, Amy, she's a tomboy, she's a lady
She's just a natural one of a kind
Amy, she's a lover when she loves me
Feels just like lightning striking me blind
(REPEAT CHORUS)
God knows I love that girl
Yes, I love that girl more than a million bucks
I love that girl
Let me tell you how I love that girl
Oh, I love that girl
My Amy girl
I love that girl
I love that girl
I love that girl, oh
I love that girl, oh
Oh, yeah
I love that girl, oh
I love that girl
