(Matthew L. Moore Tom Kosta)
Well your father lends us a car,
If we just won't go too far.
And we always seem to come home late
In't that funny
Well your family is so afraid
Cos our love keeps growing stronger
And they really don't want us to carry on
Any longer.
Oh Savannah
You've taken my heart
We can make a new start now
This situation is tearing us apart
Oh Savannah you know we can't wait
Cos it might be too late
If we wait any longer
You call me on the phone
And you tell me how you're so lonely
And your Daddy won't let you leave home
On account of me. Well you know,
You know we've talked this over before
Where can we go
We can run away, we can run away... ay...
Savannah, Oh you've taken my heart
We can make a new start now
This situation is tearing us apart
Oh Savannah you know we can't wait
Cos it might be too late
If we wait any longer
