Stop starin' at me
Leave the sad looks at home
Everybody feels bad,
And you don't understand,
It's not like I'm alone

'Cause everyone has battles to fight
And I don't need your sympathy tonight

Yeah, it's a hard life
But I'm okay
If I didn't have this, I wouldn't be who I am today
And I have lots of friends
Oh, and I have love
And yeah, I have a hard life but in some ways
everybody does

There's a lot I can't do
But don't be judgin me
I'm in a body I hate
But I have my faith, more then what you see

So what if I can't kick a soccer ball into a goal?
I feel like I can lift 500 pounds with my soul

Yeah, it's a hard life
Oh, but I'm okay
If I didn't have this, I wouldn't be who I am today
And I have lots of friends
Oh, and I have love
Yeah, I have a hard life but in some ways everybody
does

And some like me have lost their battle
But they will be the sun that gives you warmth,
And lights the way so we can shine on

Yeah, it's a hard life
But I'm okay
If I didn't have this, I wouldn't be who I am today
And I have lots of friends

Oh, and I have love
Yeah, I have a hard life but in some ways everybody
does
Yeah, I have a hard life but in some ways everybody
does
