When a single mom goes out on a date with somebody
new
It always winds up feeling more like a job interview
My momma used to wonder if she'd ever meet
someone
Who wouldn't find out about me and then turn around
and run

I met the man I call my dad when I was five years old
He took my mom out to a movie and for once I got to
go
A few months later I remember lying there in bed
I overheard him pop the question and prayed that
she'd say yes

And then all of a sudden
Oh, it seemed so strange to me
How we went from something's missing
To a family
Lookin' back all I can say
About all the things he did for me
Is I hope I'm at least half the dad
That he didn't have to be

I met the girl that's now my wife about three years ago
We had the perfect marriage but we wanted somethin'
more
Now here I stand surrounded by our family and friends
Crowded 'round the nursery window as they bring the
baby in

And now all of a sudden
It seemed so strange to me
How we've gone from something's missing
To a family
Lookin' through the glass I think about the man
That's standin' next to me
And I hope I'm at least half the dad
That he didn't have to be

Lookin' back all I can say

About all the things he did for me
Is I hope I'm at least half the dad
That he didn't have to be

Yeah, I hope I'm at least half the dad
That he didn't have to be
Because he didn't have to be
You know he didn't have to be
