I talked to my sister in Memphis  
And I told her you were movin' to town  
Here's her number  
She said she'd be glad to show you around  
I left a map on your front seat  
Just in case you lose your way  
But don't worry, once you reach Sallisaw  
It's all interstate

I know you need to go  
But before you do I want you to know, that I

Wish you the best  
And I wish you nothing less  
Than every thing you've ever dreamed of  
And I hope that you find love along the way  
But most of all  
I wish you'd stay

I figure right about sundown  
You'll be in West Tennessee  
And by then  
Maybe I'll understand why you had to leave

I know that you've done some changin'  
And I know there's no changin' your mind  
And yes I know  
We've been through this a thousand times

I'm sorry for still holdin' on  
I'll try to let go and I'll try to be strong, and I'll

Wish you the best  
And I wish you nothing less  
Than every thing you've ever dreamed of  
And I hope that you find love along the way  
But most of all  
I wish you'd stay

Yeah, everything you've ever dreamed of  
And I hope that you'll find love along the way

But most of all  
I wish you'd stay  
I wish you'd stay
