I never thought this is how it would happen
Thought love was so hard to find
All that looking, searching for something
That was here all the time

Just hanging out, laughing and talking
Thought you were only a friend
By the time that I felt myself falling
I was already in

Oh, ain't it just like love to see what only love can see?
Just like you finding someone like a guy
Just like me who dreamed of having something true
Girl, just like the two of us, baby, ain't it just like love
Ooh, ooh, ooh

Baby, I guess you can't plan the feeling

I feel so out of control
Maybe just let our heart's do the thinking
Love has a mind of it's own

Oh, ain't it just like love to see what only love can see?
Just like you finding someone like a guy
Just like me who dreamed of having something true
Girl, just like the two of us, baby, ain't it just like love
Ooh, ooh, ooh

Oh, ain't it just like love to see what only love can see?
Just like you finding someone like a guy
Just like me who dreamed of having something true
Girl, just like the two of us, baby, ain't it just like love
Ooh, ooh, ooh
Ooh, ooh, ooh
