I know, You Know, I'll never, never let you go  
Oh, You know, I know, I'll never, never let you go

Always Yours!

I know, You Know, I'll never, never let you go

Always Yours!

You know, I know, I'll never, never let you go!  
Oh, you will always find me here  
Cause i'm always, always yours

Never known such a Romeo  
But i'm always, always yours  
That's me! That's me!  
I'm still your blue-eyed boy

Please don't cry if i pass you by  
Cause i'm always, always yours

Please don't mind if I take my time  
Cause I'm always yours

(Ha!)  
Put me down if i run around  
Cause I'm always, always yours

It's no fun when I kiss and run  
But I'm always, always yours

That's me! That's me!  
I'm still your pride and joy

Take me home if I start to roam  
Cause i'm always, always yours

I got you and you got me to, And I'm always yours

I know, You Know, I'll never, never let you go  
Oh, You know, I know, I'll never, never let you go

Oh, I know, You Know, I'll never, never let you go  
Oh, You know, I know, I'll never, never let you go!

Just be cool if I play the fool  
Cause I'm always, always yours

I'm a scream, I'm a teenage dream  
But i'm always, always yours

That's me! That's me!  
You're sneaky, cheeky boy

Here I come with a special love  
And it's always, always yours

I've been round with the best in town  
And it's always yours

I know, You Know, I'll never, never let you go  
Oh, You know, I know, I'll never, never let you go  
Oh, I know, You Know, I'll never, never let you go  
Oh, You know, I know, I'll never, never let you go!

ALWAYS YOURS!

I know, you know .....
