Title : [From Where I'm Sitting]

[He Asked Her to Dance Three Songs Ago
Now She Pulls Him Closer As the Music Slows
The Lights Are Growin' Dim It's Just Her and Him and
the Band
Funny, I Used to Love This Song
I Though It Was Our Song But I Guess I Was Wrong
From Where I'm Sittin' I Can See Where I Stand

Chorus:

From Where I'm Sittin' I Can See Where I Stand
She's Got Her Head On His Shoulder and Her Heart in
His Hands
Thing's Are Pretty Clear When a Fool Understands
Lord, From Where I'm Sittin' I Can See Where I Stand

I've Never Seen Her Dance Like That Before
Don't Think I Can Take Much of This Anymore
He's no Longer the Stranger and It Looks Like I Am
I Always Dreamed I'd See That Look in Her Eyes
But I Never Dreamed It Would Be For Some Other Guy
And From Where I'm Sittin' I Can See Where I Stand]
