Cuddle up close
Just hold me tight
Don't let me go
Oh, it's feeling so right

Baby, they dim the lights
We're only just turning on
It takes all night long
To get on, oh

I told the DJ:
"Leave the turntable on"
I know if we stay
He'll keep playing our song

We're moving nice and easy

Now we just got to go
'Cause it takes all night long
To get on, oh

Oh no, you can't go home
All on your own
Feeling so nice
What a night to

Tell all your friends
Everything's changed
If anyone asks
Just say you're beginning

Only Cisco Two
Can squeeze in between me and you
It takes all night long
To get on, oh

Oh, what a night
Oh, what a night

No other love
