Gary Glitter - Never want the rain !

Happiness, Tenderness
Is all I want for you
And I just don't want the rain
No, I never want the rain again

Togetherness and warm cores
Is all I desire for you
And I just don't want the rain
No, I Never want the rain again

How many times do I have to stay
I love you with all my heart
So why don't you put your trust in me
And let's start over again

Oh, No

I just wanna kiss and make up to you
Do all the thing's that we used to do
Let me put a smile back on your face
And let's start over again

Happiness, Tenderness
Is all I want for you
And I just don't want the rain
No, I never want the rain again

Togetherness and warm cores
Is all I desire for you
And I just don't want the rain
No, I Never want the rain again

No

Start over
Ooh, start over

Happiness, Tenderness
Is all I want for you

And I just don't want the rain
No, I never want the rain again

Togetherness and warm cores
Is all I desire for you
And I just don't want the rain
No, I Never want the rain again

No.....
