Rock'n Roll Rock, Rock'n Roll, Rock'n Roll Rock, Rock'n Roll

Can you still recall in the Jukebox Hall when the music played,  
And the World span round to a brand new sound in those far off days,  
In their blue suede shoes they would scream and shout as they sang the blues let it all hang out...

Rock'n Roll Rock, Rock'n Roll, Rock'n Roll Rock, Rock'n Roll  
Rock'n Roll Rock, Rock'n Roll, Rock'n Roll Rock, Rock'n Roll

Little Queen-ie bopped at the high school hop dancing to the beat  
With her U.S. Mail and her pony tail well she looked so sweet  
Times are changing fast, but we won't forget though the age is passed we'll be rockin' yet

Rock'n Roll Rock, Rock'n Roll, Rock'n Roll Rock, Rock'n Roll  
Rock'n Roll Rock, Rock'n Roll, Rock'n Roll Rock, Rock'n Roll  
Rock'n Roll Rock, Rock'n Roll, Rock'n Roll Rock, Rock'n Roll.....
