Gary Glitter - Rock Hard Men

Men! Men! Rock Hard Men!

Who needs the power of love,
to make heart grow stronger?

Men! Men! Rock Hard Men!

Who needs the power of love,
to make a big man cry
(ohh-ahh, ohh-ahh)

Men!, Men! Rock Hard Men!
Needs the power of love,
to keep himself in the frontline!
(ohh-ahh, ohh-ahh)

Men!, Men! Rock Hard Men!

Who need the power of love,
to make his heart Rock-hard?!

Well, do you think you're gonna work it out now?
Well, I know I can put you right

You don't wanna learn the lesson the hard way
Take it from a man whose got it right

Do you feel it now
Hard Men!
Get in touch with your emotions

Hard men!
Come to terms with your devotions
Hard Men!

Get yourself some satisfaction
Lookout! Lookout! Lookout! Lookout!

Oh

Men! Men!
Rock Hard Men!

Who needs the power of love,
to make heart grow stronger?

(ohh-ahh, ohh-ahh)

Men! Men!
Rock Hard Men!

Who needs the power of love,
to make a big man cry

(ohh-ahh, ohh-ahh)

Men!, Men! Rock Hard Men!
Needs the power of love,
to keep himself in the frontline!

(ohh-ahh, ohh-ahh)

Men!, Men! Rock Hard Men!

Who need the power of love,
to make his heart Rock-hard?!

Rock Hard, Rock Hard, Rock Hard

If you put the past behind you
I can show you, how you can survive

There's no reason to deceive yourself this much
Take it from the one, who knows it's right

Can you hear me now?

Hard Men!
Get rid of your confusion
Hard Men!
It's an unnessacary intrusion
Hard Men!
Are you under some illusion?

Lookout! Lookout! Lookout! Lookout!

Oh, Men! Men!
Rock Hard Men!

Who needs the power of love,
to make heart grow stronger?

Men! Men!
Rock Hard Men!

Who needs the power of love,
to make a big man cry
(ohh-ahh, ohh-ahh)

Men!, Men! Rock Hard Men!
Needs the power of love,
to keep himself in the frontline!
(ohh-ahh, ohh-ahh)

Men!, Men! Rock Hard Men!

Who need the power of love,
to make his heart Rock-hard?!

Ohh-ahh Ohh-ahh Ohh-ahh Ohh-ahh

Do you think your gonna?
Do you think your gonna?
Do you think your gonna work it out?

Take it from a man, Take it from a man

Get in touch with your emotions
Come to terms with your devotions
Lookout! Lookout! Lookout! Lookout!

Yeah, Rock Hard Men
Yeah, Rock Hard Men
Yeah, Rock Hard Men
