Gary Glitter - School Days

Up in the morning and out to school  
The teacher is teaching the golden rule  
American history and practical maths  
Study 'em hard and hoping to pass  
Working your fingers right down to the bone  
And the guy behind you won't leave you alone

Ring ring goes the bell  
The cook in the lunch room is ready to sell  
You're lucky if you can find a seat  
You're fortunate if you have time to eat  
Back in the classroom open your books  
Gee but the teacher don't know how mean she looks

Hail hail rock 'n' roll

Soon as 3 o'clock rolls around  
You finally lay your burden down  
Close up your books and get out of your seat  
Down the hall and into the street  
Up to the corner and 'round the bend  
Right to the juke joint you go in

Drop the coin right into the slot  
You gotta hear something that's really hot  
With the one you love you're makin' romance  
All day long you've been wanting to dance  
Feeling the music from head to toe  
Round and round and round you go

Long live rock 'n' roll...
