Three, six, nine  
The goose drank wine  
The monkey chewed tobacco on the street car line  
The line broke, the monkey got choked  
And they all went to heaven in a little row boat

Clap pat, clap pat, clap pat  
Clap, clap, clap pat  
Clap your hand, pat it on your partners hand  
Right hand  
Clap pat, clap your hand cross it with your left arm  
Pat your partners left palm  
Clap pat, clap your hand pat your partners right palm  
With your right palm again

Clap slap  
Slap your hands, slap your thigh  
And sing a little song, go

My mother told me if I was goody  
That she would buy me a rubber dolly  
My auntie told her, I kissed a soldier  
Now she won't buy me, a rubber dolly

Three, six, nine  
The goose drank wine  
The monkey chewed tobacco on the street car line  
The line broke, the monkey got choked  
And they all went to heaven in a little row boat

Clap pat  
Clap your hands and prepare to pat

Clap  
Take your right arm  
Pat your partners right palm  
With your right palm

Clap  
Take your hand back and clap

Pat  
Take your right arm  
Cross your right arm with your left arm  
Take your partners left palm with your left palm

Clap  
Take your hand back and clap

Clap  
Take your right arm, cross your left arm  
Pat your partners right palm with your right palm

Clap  
Now back with the clap

Clap  
Take the pats of your palms  
And slap your thighs  
And watch the fun materialize  
As you sing this little song

My mother told me  
If I was goody  
A that she would buy me  
A rubber dolly

My auntie told her  
I kissed a soldier  
Now she won't buy me  
A rubber dolly

Clap, clap pat, clap pat, clap, slap...
