Gary Glitter - Trade

I'm really hungry,
I'm really hungry for your love

I'm really thirsty
I'm really thirsty for you now

My baby say's to me
She say's it's guaranteed
I said, ha, ha, oh
My lady say's to me
She's gonna set me free

I wouldn't trade, trade Trade you for another

I wouldn't trade, trade oh, ha, ha, ha

I wouldn't trade, trade Trade you for another

I wouldn't trade, trade ha, ha, ha

I'm really hungry,
I'm really craving for your touch

I'm really crazy
I'm really crazy for your sex

My lady say's to me
She say's it's guaranteed
I said, ha, ha, oh
My lady say's to me
"I'm gonna set you free"

I wouldn't trade, trade Trade you for another

I wouldn't trade, trade oh, ha, ha, ha

I wouldn't trade, trade Trade you for another

I wouldn't trade, trade Trade, trade, trade

I looked around
My feet stay on the ground
I know I'll never find another you

Now you're in your arms
With all your special charms
I know nobody else will ever do

My baby says to me
She says it's guaranteed
I said, ha, ha, oh
My lady says to me
She's gonna set me free

I wouldn't trade you for another at all

I looked around, my feet stay on the ground
I know I'll never find another you

Trade, never trade

Now you're in my arms, with all your special charms
I know nobody else will ever do
