Ooo hoo, it's the fun of your life
Bottle keeps spinnin' spinnin'
Devil keeps grinnin' grinnin', thinkin' bout a war he's
winnin'
And ooo hoo, everybody is a star
Every star is a sun
Every sun is in the shadow of the father now
And ooo hoo, it the fun of your life
the bottle keeps spinnin' spinnin'
the devil keep grinnin' grinnin', thinkin' bout a war he's
winnin'
And ooo hoo, everybody is a star
Sisyphus, I feel you boy
Roll, roll, rollin' that rock all day
No one lends a hand along the way
They just smile and say;
"See you soon, see you soon, see you soon."
I'll see you when the war is over
See you when this gravity stops pullin' me around
When I get my feet up off the ground,
Finally lay this burden down, I'll come runnin'

And ooo hoo, it's the fun of your life
Bottle keeps spinnin' spinnin'
Devil keeps grinnin' grinnin', thinkin' bout all my sinnin'
And ooo hoo, everybody is a star
Every star is a sun
Every sun is in the shadow of the father now

But you, oh youâ€¦!
Never be lonely
Never blue
Ooooâ€¦!
Never be lonely
Never blue
There's poetry in sickness
Life is beautiful and cruel
That's just the way it is
And I can sleep but I can't rest
They say that your songs are the best
And I am still a young man

Ooo hoo, it's the fun of your life
Bottle keeps spinnin' spinnin'
Devil keeps grinnin' grinnin', thinkin' bout a war he's
winnin'
And ooo hoo everybody is a star
Everybody is a star

Ooo hoo, it's the fun of your life
Do do doâ€¦Da da daâ€¦
