"Dreaming By Needle And Gun"

Easy baby it's all gonna pass
Not before you wake
Dream by the needle
Or dream by the gun
Dream by dreaming
Over water underground

All through the winter you bawl and you wail
Wail and you weep
Then you raise your voice
To shed your skin
Dream by dreaming
Over water underground

Stars will fall and the tide will ease
And I will be in love with you
Stars will fall and the tide will ease
And I will be in love with you

Easy baby it's all gonna pass
Not before you wake
Some days you can see forever
Dream by dreaming
Dream by dreaming
Dream by dreaming
