Breathing,  
Making your way through the opening  
Corduroy princes and pretty things  
Quietly turning away  
Leaning  
Into the arms of your city life  
Glorious stars in a shitty sky  
Glimmer in perfect decay  
Don't you know you are the only one  
Serpent-in-claw  
Don't you know you are the coolest kid  
Serpent-in-claw  
And I won't let them get you down  
Everyone knows  
Where everyone goes  
Where everyone knows the words  
But you  
Laid back  
Drunk at the wheel of a foreign car  
Nobody wondering where you are  
Fixing your hair anyway  
And they will never touch you  
Serpent-in-claw  
Don't you know you are the only one  
Serpent-in-claw  
Don't you know you are the coolest kid  
Serpent-in-claw  
And I won't ever let them get you down  
And they will never touch you
