(Gary Moore)

Sun don't shine 'round here no more,  
Since my baby walked on out that door.  
She broke my heart, make no mistake.  
All I did was give.  
All she did was take.  
But don't you know,  
Where she goes,  
The cold wind blows.

Well, my baby told so many lies.  
I couldn't see through my blinded eyes.  
She choked me up with her bad, bad seed.  
Took the flowers I gave her  
And strangled them with weeds.  
But don't you know,  
Where she goes,  
The cold wind blows.

I ain't gonna cry no more.  
I ain't gonna cry no more.  
I ain't gonna cry no more,  
Cry no more.

Sun don't shine 'round here no more,  
Since my baby walked on out that door.  
She broke my heart, make no mistake.  
All I did was give.  
And all she did was take.  
But don't you know,  
Where she goes,  
The cold wind blows.  
The cold wind blows.

I ain't gonna cry no more.  
I ain't gonna cry no more.  
I ain't gonna cry no more.  
I ain't gonna cry no more.  
Ain't gonna cry no more,  
Cry no more.  
Gonna cry no more.

Ain't gonna cry no more.
