(Gary Moore/Mark Nauseef/Willie Dee/Tony Newton)

I went down to the doctor,
It was just the other day.
My head was hangin' down,
'cause I'd been up for days dancin', dancin'.

Well, he wrote me a prescription
You will find at any store.
He said that "You're an idiot
Whose back out on the floor dancin', dancin'."

Don't you feel like dancin',
Don't you feel like shakin'?
Don't you feel like movin'
Till your back is breakin'?
Don't you feel like rockin',
Don't you feel like rollin'?
Don't you feel like dancin',
Dancin' all night long?

I went 'round to see my sister
'cause my head was hangin' low.
She asked me what was shakin',
I said "Sister, don't you know
I've been dancin', dancin'."

She said "Willie, what's your problem,
Can you tell me what's the score?"
I said "I'd feel allright
Once I get out there on the floor dancin', dancin'."

Don't you feel like dancin',
Don't you feel like shakin'?
Don't you feel like movin'
Till your back is breakin'?
Don't you feel like rockin',
Don't you feel like rollin'?
Don't you feel like dancin',
Dancin' all night long?

Don't you feel like dancin',
Don't you feel like shakin'?
Don't you feel like movin'
Till your back is breakin'?
Don't you feel like rockin',
Don't you feel like rollin'?
Don't you feel like dancin',
Dancin' all night long?

Don't you feel like dancin',
Don't you feel like shakin'?
Don't you feel like movin'
Till your back is breakin'?
Don't you feel like dancin',
Don't you feel like shakin'?
Don't you feel like movin'
Till your back is breakin'?

Don't you feel like dancin', (don't you feel like dancin')
Don't you feel like shakin'? (don't you feel like dancin')
Don't you feel like movin', (don't you feel like dancin')
Till your back is breakin'? (don't you feel like dancin')
Don't you feel like rockin', (don't you feel like dancin')
Don't you feel like rollin'? (don't you feel like dancin')
Don't you feel like shakin', (don't you feel like dancin')
Till your back is breakin'? (don't you feel like dancin')
Aah, haa-haa.
