Well, I'm going down to Rosie's,
Stop at Fenna May's.
I'm gonna tell Fenna
What I have bought at Frenzie's.

Don't start me talkin',
I'll tell everything I know.
Yes, I will.
I'm gonna wake up this signifyin'
'cos somebody's got to go.

Dex gave his wife two dollars,
Go out'n try'n get some margarine.
Gets out on the streets
Mo George stopped here.
He knocked her down
And blackened her eye.
She gets back home
And tell her husband a lie.

Don't start me talkin',
I'll tell everything I know.
You know I will.
I'm gonna wake up this signifyin'
Oh, 'cos somebody's got to go.
Yeah.

Well, she borrowed some money,
Down at the beauty shop.
She honked his horn.
She began to stop.
Said take me baby
Around the block.
I'm going to the beauty shop
Where I can get my hair a shag.

Don't start me talkin',
I'll tell everything I know.
Ooh.
I'm gonna wake up this signifyin'
'cos somebody's got to go.
