(Gary Moore)

I can still remember,
Like it was yesterday,
The pain inside my heart
As you turned to walk away.

I don't know and I don't care
What the people say.
I don't know and I don't care,
I love you anyway.

For I have found my love in you.
And I have found a love so true.

I can still remember,
Like it was just the other day.
I could have done without those stories
While you're so far away.

I don't know, I don't care
What my friends all say.
I don't know and I don't care,
I love you anyway.

For I have found my love in you.
And I have found a love so true.

Ooh, that first sweet night together.
I will remember it forever.
I put my heart on the line.
Though I knew I was wrong,
I would keep holding on.

Do you still remember
All those times ago?
When you lay like a flame in my arms,
And I could never let you go.

For I have found my love in you.
And I have found a love so true.
Yes, I have found my love in you.

And I have found a love so true.

I don't know and I don't care.

Ooh, that first sweet night together.

I don't know, I don't care.

I will remember it forever.
