I want you back again  
I need your love again  
I just can't let You go  
I just can't let you go  
My love has been strong before  
My world have been wrong before  
I just can't let you go  
I just can't let you go  
My love ...  
Do you still remember  
What it used to be  
Do you still remember  
When it was you and me  
I would do anything  
Not to see you walk away  
Get right down on my knees  
And beg you to stay  
Ooooooh Oooooh  
I want you back again  
I need your love again  
I just can't let you go  
I just can't let you go
