(Gary Moore)

Take me out of here.
This place is gettin' much to small.
Make me disappear,
Vanish through the nearest wall.

Give me one good reason why I should stay.
Give me one good reason to go on this way.
Give me one good reason why I should stay with you,
With you.

Take me out of here.
This place is closing in on me.
Make it disappear,
Somewhere else I wanna be.

Give me one good reason why I should stay.
Give me one good reason to go on this way.
Give me one good reason why I should stay with you,
With you.
How, yeah.

Give me one good reason why I should stay.
Give me one good reason to go on this way.
Give me one good reason why I should stay with you,
With you, with you.

Take me out of here.
