Walk along the lake with someone new
Have yourself a summer fling or two
But remember I'm in love with you
And Save your heart for me

When the summer moon is on the rise
And you're dancin' under starlit sky
Please don't let the star gets in your eyes
Just Save your heart for me

When you're all alone
Far away from home
Someone's gonna flirt with you
I won't think it's wrong if you play along
Just don't fall for someone new

When the autumn wind begins to blow
And the summer time is on the go
You'll be in my arms again I know
So, Save your heart for me
Darlin' save your heart for me
